Little and often makes much.

Your talents will be recognized and suitably rewarded.

The days you work are the best days.

You can always find happiness at work on Friday.

Today is a lucky day for those who remain cheerful and optimistic.

All your hard work will soon pay off.

If you continually give, you will continually have.

The secret of getting ahead is getting started.

You were born with the skill to communicate with people easily.

Do not mistake temptation for opportunity.

The hard times will begin to fade, joy will take their place.

You will be fortunate in everything you put your hands to.

The first step to better times is to imagine them.

Decide what you want and go for it.

Ideas are like children; there are none so wonderful as your own.

You will have gold pieces by the bushel.

When you speak honestly and openly, others truly listen to you.

Put the data you have uncovered to beneficial use.

Trust your intuition. The universe is guiding your life.

Your past success will be overshadowed by your future success.

It doesn't matter. Who is without a flaw?

Skill comes from diligence.

It is much wiser to take advice than to give it.

Don't forget to do good deeds as you accumulate wealth.

Many a false step is made by standing still.

Keep your plans secret for now.

A thrilling time is in your immediate future.

Your money worries are over! Your new job will bring you a huge increase in income.

You should be able to make money and hold on to it.

A good time to finish up old tasks.

The skills you have gathered will one day come in handy.

Avert misunderstanding by calm, poise and balance.

Every excess becomes a vice.

Consolidate rather than expand business projects in the near future.

Be direct, usually one can accomplish more that way.

Delay is the antidote for anger.

Keep in close touch with what your competition is doing.

Get ready! Good fortune comes in bunches.

Your skill will accomplish what the force of many cannot.

None of the secrets of success will work unless you do.
